## KidLife Offering Project

From April to June the KidLife offering is going towards a refugee family who will be coming to Niverville. This family is from Pakistan and is currently living in Thailand, awaiting the paperwork that will allow them to come to Canada. They have a strong faith in Jesus, which is why they need to leave their country. The KidLife offering is being sent to them overseas to help them while they are waiting to move here. Jenn has been in direct contact with them and they are very appreciative and always pray for our children. Please remember Elijah and his mom and dad in your prayers as well.
